

**LIGHTHOUSE  
FOR LIFE**

We FIGHT to eradicate human trafficking by  
educating our community and empowering survivors.

## Survivor Support Donations

Lighthouse for Life's Survivor Support Program empowers victims of sex trafficking in their path to restorative care. We value generous donors like you who long to come alongside us in this mission. To best meet the physical needs of our program and survivors, we've specified the types of donations our program is able to accept below. **However, due to limited storage capacity and current needs, we ask that you contact us before collecting any of the following items.** You may also contact us for additional donations not listed below to determine if we are able to accept them at this time.
